11. [] LIAISON Together with Messrs. [] of OLC; [] of OS; met with [] DIA, and worked out preliminary procedures to implement the new Guidelines for issuing compartmented clearances to the Congress. It was agreed that after the current listings are reviewed for correction by Defense and CIA, CIA will discuss them with the appropriate committees.

12. [] THIRD AGENCY Beverly Davidson, on the staff of the Congressional Budget Office, called inquiring as to where she should submit a request for compartmented clearances for [] a new member of the staff. She explained that she had in the past made her request to the Department of Defense. I told her she should continue to submit her requests to the Department of Defense and that our office will make a final review.

13. [] LIAISON Per her request, I sent the Agency publications entitled "Least Developed Countries: Economic Characteristics and Stake in North-South Issues" and "Director of Soviet Research Organizations" to Suzanne Boisclair, Office of Technology Assessment.

14. [] LIAISON Kirk O'Donnell, in the office of the Speaker of the House, reported that the Speaker was pleased with the briefing provided on the so-called build-up on the 38th parallel. The Speaker had been receiving some rather alarming reports and having a more tempered assessment, even if not in the greater detail he would have liked, was helpful in the consideration of the assistance bill which was on the floor yesterday.

15. [] LEGISLATION Mike Wenk, Department of Justice, called to work out strategy in connection with the excludable aliens provision in the State/Justice authorization bill. It was agreed that it was best to tackle this in Conference.

16. [] LEGISLATION Spoke with Bob Kimmitt, Legal Counsel, National Security Council, concerning the third agency amendment to the State authorization bill.
